Both hotels sit right in the beautiful city centre and are approximately 1 hour drive away from the conference venue. The conference proceedings will take place on the Zi Jin Gang campus, which is relatively new and does not yet have hotels of this caliber nearby.

There will be a conference bus to transport delegates between the conference venue and the two hotels. Special hotel price negotiations will be worked out with the Hyatt and Shangri-la. Delegates are welcome to book their accommodations from these two hotels, and subsequently provide the booking reference number to the conference organizers to sort out proper payment reductions.
