The WUN China Conference is tailored to the interests of faculty, University administrators, entrepreneurs, and graduate students involved with the studies of entrepreneurship and global impact. Our agenda involves discussions of several current topics, ranging from policy & practice, enterprise education, and researching enterprise.

All interested participants please register through this website to attend the conference. Both online registration and a Call for Papers will be posted shortly.

We warmly welcome the participation of:

Distinguished Faculty
University Deans & Administrators
Entrepreneurship Centre Directors
Entrepreneurs
Academic Staff
Graduate Students
